

B26 - Rules of Use

B26 - Rules of Use

Failure to apply these rules, which are in the interest of all users, will result in a ban.

- Only 1 student per machine.
- Video Style Games playing is never permitted due to potential damage to the equipment – Automatic ban for rest of the day! Frequent violation will lead to additional sanctions.
- All equipment must be left tidy with printouts removed.
- The Interactive Whiteboard is for Staff use only.
- No bags or coats are permitted.
- All damage should be reported.
- You are allowed to print single copies only – Use Photocopier for multiple prints.
- Internet pages not related to school work should not be printed.
- Large unchanged sections of CD Roms should not be printed.
- You may download software from the Internet for use at home only.
- No software from any source is to be installed.
- You should check that you are aware of the school rules (as published in the Journal) relating to behaviour inside the school buildings.
- You should never logon using another Username – Automatic ban!
- Students are free to use the room during lesson time if there is a spare machine and have the permission of the member of staff who normal teaches them at that time.
- No Food or Drink is permitted in the room.

If in doubt please ask!
